

# 100 WOMEN WHO CARE CALGARY

IMMEDIATE RELEASE

100% of the money donated goes to

*The Charity of Choice*

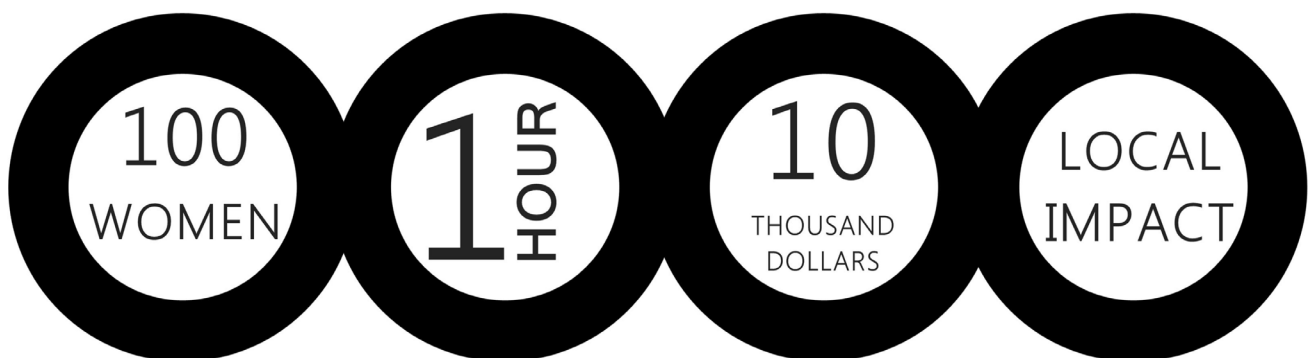

## Our strength is in our numbers. 100 Women Who Care.

Calgary AB, March 6, 2014 - Local women are creating a local impact. 100 Women Who Care Calgary is based on the simple concept of bringing together 100 local women (or more) to make a large impact within their community. After just 2 meetings, there has been proof of strength in numbers raising \$17,400 for The Boys and Girls Clubs of Calgary and Helping Families Handle Cancer Foundation.

100+ Women choose worthy Calgary charities to support. With a goal to raise at least \$40,000 per year. You'll see donations matched 100+ times over. Hear about how the money was spent to help others. Get connected to your community. And know that most of all, that YOU made a difference.

In today's day and age, women are busier than ever. But at the same time women want to be able to give back and know that the money they're donating is going to make a difference. 100% of the money donated goes towards the charity of choice with a charitable tax receipt.
